Tasks

- Finalise the purchase and installation of the wall oven

3. **40th Function**

Plans are proceeding, the room has a capacity of 180 so plenty of space. Unable to use online booking system for tickets, so will update the poster to provide bank account details and start advertising. Tables of 10, so people can nominate their own group, or we'll just allocate setting an an individual level. Function is open everyone who wishes to attend, so invite any past players as well.

4. **Letter from Mirrabooka - Player complaint**

This was followed up with the player concerned and a response was provided to the Mirrabooka club, with a copy to the player. No further action at this time.

5. **Winter Pennant Teams**

All teams have been submitted and pennant competition commences tonight. Have the same number of teams, and a few new players joining the club. Some of the mens teams have only 3 players, but we should be able to cover any reserves from other teams.+

6. **Entertainment Books**

Currently have sold 11 copies, further email to be sent out shortly. Now is usually the time for increased sales as the previous books have run out.

Tasks

- ✓ Send out reminder email for Entertainment Books

7. **Music Quiz Night**

This was a great success with around 110 people attending, and a good mixture of squash and tennis members. Event was cost neutral, with money raised going back into food and prizes. There may be a small surplus, which once established, will be shared between the clubs.

Hopefully this event may lead to a better relationship with the tennis club, and the opportunity to be involved in some further joint functions.

8. Club Championships - Sept 2017

This will be run on the same basis as 2016. Event will be for members only, so will encourage any non-members to join the club prior, cost will remain at \$50. Poster for the club champs to be displayed soon.

9. 2017-18 Committee & AGM

AGM will be held after the club champs on the 9th September. Steven asked committee members to start to give consideration as to whether they will nominate for next year. Discussed that we need more people on the committee to be able to offer more services to members, and share the load better.
