Minutes

1. Club / Centre priorities

Goals for the next 3 months (Feb to Apr 2024):

1. Courts

- Front walls to be renovated – COMPLETED
- Other walls to be painted –
 - Feb 24 - Plan for painting - Nick has suggested that we paint a couple of trial courts and play on them for a couple of months before completing the job. This will allow us to see how the paint and preparation works, and allow us to raise the remaining fund needed. Mike is open to this option as well. Committee agreed to proceed with this plan, Steven to notify Nick and Mike, and leave it up to them to agreed to when this will take place, and how many courts. We can fund up to 5 courts at the moment.
 - Mar 24 - Courts 3 & 8 to be painted 20th - 22nd May, then we will play on these for a period of time to see how they go before completing other courts.
 - Apr 24 - Tennis club have offered to pay \$6000 + GST towards the painting, this means that our final balance for the painting will be \$13,170, which we have funded.

- Jul 24 - Remaining 6 courts to be painted. Have spoken with Mike about possibly the next school holidays as there will be no juniors and a break in pennants due to the long weekend. Steven to send an email to Mike & Nick Hipkins
- Doors – Look at reinstalling closers on all the court doors - Feb 24 - Rob will sort this out, only a couple of doors need to be fixed

2. Centre

- Spring clean – club to offer financial support to get someone in to clean the building, carpets so easier to maintain - Feb 24, Mike is open to the club getting quotes, particularly around cleaning the carpets. Mar 24 - Quote \$2400 for deep clean. Discussed that we need to wait until the glass is installed, and maybe just get a quote for carpets only at this stage. Mar 24 - Electrodry - \$1500, Jan-Pro \$800 - COMPLETED - carpets cleaned 19th July
- Men's toilet – fix the taps (talk to Mike C) - COMPLETED
- Mens toilet / change room – investigate what needs to happen to improve ventilation and reduce smells hanging around (Mike H to follow up) - Mar 24 - Phil Scott advised that he is providing a report to the Tennis Club on this issue.

3. Club (Louis)

- Create brand, identity guidelines for future use
- Update website to ensure it is club based and link centred based info to centre website. Mar 24 - website has been updated to ensure current information is accurate.
- Actively use our social media pages – Facebook / Instagram – possible advertising
- Explore promotional material with new sponsor – brochures, banners

4. Feedback from members for Centre

- Changerooms – can we please have shampoo and soap supplied (isn't consistent) - Feb 24 - Mike advised that he updated the shampoo supply but it was stolen the same day. Will look at basic supplies being available.

4th Feb - Discussion of the above with Mike

Centre

- Mike to clean the mens bathroom / toilet areas, paint changeroom, and update vanities - Pending with Council
- Mike to complete painting of the walls, aim to complete by end of April. Offered help with this, Mike will let us know if this is needed. (IN PROGRESS)
- Mike advised that there are still ongoing issues with some members not locking up, leaving ovens on, and treating the centre as if they own it. Mike happy to support the club, but we need to take responsibility for out of hours use, and see it as a privilege, not a right. Agreed to ensure regular reminders are made via the club. (ONGOING)
- Discussed recent enquiries regarding new players looking for a hit, nothing to offer at present. Mike agreed to try and offer a social hit on Wednesday evenings from 7.30pm - KOTC, round robin style (BEING PROMOTED)

2. Club / Centre - responsibilities

Discussion around what the club does vs the centre (& others). There is a need for the club to move towards being more member centric focus and redirect people to the centre for some of the queries. The club will advocate on behalf of members, so we want to know what is going on, but we aren't responsible for resolving many of the issues raised.

Plan

- develop a process for members to advise the club of their concerns, while also directing them to Mike and the other staff as appropriate. Club will advocate with Mike on a regular basis, and work with the centre to address issues.
- club to email members to advise of responsibilities between club and centre and who to contact in each instance

This still requires actioning by the committee.

3. Promotional Video

The club has developed a promotional video (thanks Louis) which has been receiving great feedback on our social media pages. The aim is to develop further materials from this to promote the club, the centre and squash in general.

Initial aim is to make people aware that squash exists and encourage them to book a book and have a go. Future promotional material may then promote specific programs available, and the benefits of joining the club. This is still being determined.

Video can be viewed on our Facebook page - [CLICK HERE](#)

4. Membership
