- target our Juniors and encourage all junior program participants to join the club - via Junior Program, Junior pennants, tournaments

5. Life Members

As part of our 45th anniversary celebrations we are going to highlight and celebrate a life member each month. We currently have 12 Life Members, and we have managed to contact them all. We are in the process of putting together a profile for each of them.

Our Life Members are:

1983 - Trevor Osborne, 1987 - Sandie Davis, 1993 - Jenny Marsh, 1993 - Helen Collins (dec), Lyn Scurry, Anthony Scurry (all from Rossmoyne), 2001 - Christine Cooper, 2002 - Maddy Tushingham, 2003 - Gaynor Dean, 2004 - Ken Tushingham, 2015 - Ric Nicholas 2015 - Jan Ingram

Information gathered has been collated, and we can now start to share these on our Facebook page over the next few months. Some still have quite a few gaps, so we will continue to update as best as possible.

Discussed creating a wall for pictures of our Life members to be displayed, we would need to locate some different photos if we go down this path, as many of the current photos are very low resolution.

6. 45th Anniversary - Club Shirts

Order has been completed - 50 shirts / dresses - expected delivery date is around the 25th May - invoices sent out, due 30th April.

Thanks to everyone who supported this.

8. Girls only squash coaching

We have set aside \$3000 to fund the running of the following program three times during 2022:

- Run a six week "Squash Girls Can" program in Terms 2, 3 & 4 2022
 - Term 2 has been completed - 6 girls, 2 courts, 1 coach (Sue Hillier) - cost = \$360 Sue less \$360 fees received, Kane has donated the court hire, so Term 2 was cost neutral to the club
 - Aim to increase coaches, add Hannah for Term 2, and then double number of participants
 - Term 3 has commenced with 7 girls, 2 weeks in July, then remaining 4 weeks in September. Will advertise at local schools to see if we can increase the numbers, aiming for 12 for Term 3

PLAN

- Limit the participants to maximum of 16, over four courts, with three female coaches
- Participants can be teenage girls, their mums, adult women, any females wanting to learn to play squash
- Aim of the program is to develop skills as social squash players, and link into further development options
- Costs, Courts (\$20 x 4 x 6) = \$480, Coaches (\$60 x 3 x 6) = \$1080 = \$1560, Fees, \$10 per week x 16 = \$960 - NET COST \$600 per term
- Will try and run on a Thursday afternoon (4.00pm to 5.00pm) to keep consistent with 2021
- Tentative Term Dates:
 - a. Term 2 – 12th, 19th & 26th May, 2nd, 9th & 16th June - COMPLETED - 6 participants

10. Facilities - improvements

The ongoing development of facilities is critical for the future of squash in WA, and as the largest 'users' of the centre, the club is committed to the continual development of our centre for the benefit of members, all squash players, and the wider community. The current focus of the club is to work towards a permanent solution for the front walls in conjunction with other key stakeholders. This and other items are listed below.

Front Walls - aim to upgrade to glass

- CourtTech Australia currently supply and install glass front walls over old plaster walls, the cost per court is \$23,000
- COURTDsgns HALF SYSTEM Renovation is a permanent solution to reoccurring front wall and side wall problems. COURTDsgns offers renovations for plaster courts and panel courts. *5 year guarantee *Low maintenance, same surface at the professionals *Height adjustable tins. After installation of the 40mm thick COURTDsgns Half System Wall on existing plaster walls, the court dimensions still comply with WSF guidelines
- <http://fitzsquash.com/index.php/courttech1/squash-courts/renovations/>

- 8 courts = \$184,000, DLGSC Funding \$61,000, Balance \$123,000
- 4 courts = \$92,000, DLGSC Funding \$31,000, Balance \$61,000

Meeting held (23rd March) with Bill Thomas (BGPTC) & Kane Fasolo. Bill is on the board's capital expenditure committee and was seeking input into the needs of the squash centre. Following is a summary of the discussion:

- Facilities funding is available via DLGSC twice a year, maximum of 30% of total project
- Tennis club access this funding, so looking at what projects to prioritise in the next couple of years
- Front walls were discussed, reason for needing repair, what done in the past, why glass not replaster, costs involved
- City of Melville unlikely to contribute, have not provided any funding to Tennis club for any improvements to date, only loans
- If the club could raise funds to fix one court, that would be seen as favourable. We will look at options to raise funds.
- Will need funding from club, Tennis, Local and/or Federal Government, and possibly private funding to get this project completed
- Look at starting with most damaged courts, and/or doing the upgrades over a few years
- Steven to contact DLGSC to discuss our project, and provide details to Bill

Steven spoke with DLGSC, Mark Toomath (9492-9870), he advised the following:

- Project to upgrade the front walls to glass was within the funding scope
- Need to ensure Tennis Club is on board (as lease holder), letter to that effect or joint application
- Need to contact City of Melville, get their approval to support the work, discuss their priorities, as likely to have several applications at each local Government
- Maximum funding is 30%, so need to have remaining funds allocated to the project, and clearly documented
- Need to talk to WA Squash to ensure this project is on their priority list as well
- Next funding round is in July/Aug, funds need to be spent by 15th June 2023
- Application should highlight the benefits of the upgrade, to community, players, in terms of reduce maintenance costs etc

Further follow up with clubs in Victoria, and Squash Australia has occurred. Professional opinion has been sought on the best avenue to take for 'fixing' the front walls. Further discussion to be held on this issue.

Louis has made contact with Ben Morton's office to seek support for this project and we are in the process of trying to secure funding via an election commitment, or a future grant round. Further clarity on this will be available following the federal election in May.

21/5/2022 - Following the Liberal loss and Ben Morton losing his seat, our funding for this project has now gone, and we need to start again.

4/8/2022 - Frank has organised a quote from a plasterer as part of our ongoing discussion to fix the walls. Details to be provided in the next week. The issue of the leaking roof is still to be resolved.

6/8/22 - met Ole from Tennis Club, he advised that the council had repaired the roof, and the leak over court 7 should now be resolved. He was checking to see if any further rain had entered, advised that we would monitor this.

12/9/22 - Kane advised that the City of Melville has inspected the roof and have declared that all the leaks have been fixed, and that the downpipes are sufficient for drainage from the roof. Kane will get this in writing so that we have some comeback in the event of any future work being affected by water damage.

12/9/22 - Mike to put together a detailed quote to replace the front wall plaster with a specification plan that will ensure the correct materials are used now and in the future. Club to seek funding via Federal MP, State Grant, and Tennis Club.

Floors - approval has been provided by the City of Melville to sand the floors, as per an agreement following the roof leaks. Kane is following this up. These have been scheduled for August 2022.

September 2022 - sanding of the floors has commenced, two courts per week over the next four weeks

Air Conditioning - Kane put this onto the agenda for the capital expenditure committee. Plan is to place two units at either end of the 'clubroom' area to create a flow into the central space. Options and costs are being explored.

Air flow / Fans - The club is looking to replace the downstairs door (by the fountain) with a dual door that can open and provide a screen door to allow air flow. Kane is looking into installing fans in the downstairs area to increase air flow.

It's easy to use, and as an example a purchase of two shirts via Gazman results in \$5 for the club. If you are going to spend the money anyway, it is a useful way of also supporting the club. Further details will be emailed out to members shortly.

Container for Change - This scheme, recycling eligible containers for 10c refund, is one of our best fundraising avenues. We are currently generating around \$25 per week through the bins at the centre, and this funds our junior program entirely. You can support this scheme by putting your containers into the bins provided at the centre (caps removed), or donating your containers to the club when you take them to the refund point (just quote our scheme number - C10309447)

Entertainment Books - we have been doing this for a few years now, but now it is all electronic books. You can purchase your entertainment book memberships via this link – <https://www.entertainment.com.au/orderbooks/83556g> – \$14 from every book sold goes to the club. Books can be purchased any time and are valid for a year from date of activation.
