Vents - no further action on this issue at this time, vents seem to be coping ok during winter months with steam etc

7. Website - bluegumsquash.org

Thanks to Steve for putting this together, we now need to make sure that it is all working and kept relevant to the wider public. All committee members to check the current content, and send through any new content to upload.

We are coming to the end of the current year for the committee, with the next meeting in August being the final one before the AGM. Committee members were asked to consider whether they are interested in nominating for the committee for 2018-19.

AGM to be held after the Club Champs finals on Saturday afternoon. Steven to advertise to members as per constitution.

11. Sponsorship / Shirts

This has been put on hold in recent months as it would need to tie into any new logo, and we need to ensure that we have enough support to progress this. The aim is to have a new shirt run sometime in the future, maybe now as a launch for next year. We are looking for 3 sponsors who are willing to contribute \$400-500 each to have their names on the shirts, with the aim to make shirts affordable for all members to purchase, but in particular, our pennant teams.

End of minutes.
