1. Membership

Membership - priorities for 2023 - We finished with 209 members for 2022

1. Aim to keep our current members (148 have renewed / joined for 2023 so far)
2. Try to increase our membership numbers to 225. We will do this by:
 - a. Targeting casual players at the centre and encouraging them to join the club
 - b. Encourage all junior program players to become members of the club
 - c. Advertise to potential local markets - Murdoch University, who else?
 - d. Continue to develop specific programs to encourage more participation - Girls Program, Ladies morning, Free coaching

1.1. Membership - Juniors

We had 50 junior members for 2022.

The junior program has commenced with 29 kids the first week and 30 kids for week two. There have been 5 new kids in this group so far, so it is looking like we are going to have a similar number for this year.

We've gained Tom Jacobs and a couple of parents to help out on Mondays, which has been great.

Mike is running the Thursday afternoon session (4.00-5.00pm) which will become our Clu Development session. At the moment this is gameplay. Steven checked with Mike and around 5-6 kids are attending at the moment.

WA Squash are developing a Junior Pathway, with clubs / centres being responsible for running open days, come and try days, junior programs, and also developing a development squad from this. The development squad players would be 'selected' from our junior program, and we would then be working with these players to continue to develop their skills with a view to representing the Southern Stars in the State Teams competition, and then ultimately vying for selection in the State team.

WA Squash will continue to run tournaments, clinics and development squads, and the high performance events. They will also provide the grass roots support via school programs, inflatable courts etc to encourage initial participation.

If we expand our Junior Program and options, then we are going to need more coaches. Club will support any person who is interested in attending a coaching course and helping out, so contact the committee if you are interested.

3.1. 2023 - Doubles Tournament

This event was held on Saturday 4th Feb - 12.00 to 4.00pm.

This was great fun and a successful event, with teams from a range of clubs. There is an interest in doubles, and we will look at scheduling another tournament around mid-year, if we can find space in the calendar.

(SUCCESSFUL)

a. Livestreaming - Brett explored a couple of options for cameras, further investigation is needed (check task update for details)

October 2022 - Fuel to Play and Go - \$2000 grants available to promote healthy food and drink options, application made. Waiting for meeting with Healthway to final grant. Grant of \$1600 offered to the club, waiting for payment. (SUCCESSFUL)

Potential Grants:

Community (federal) - Larger grant available to support front wall upgrade, waiting for further information from Sam Lim's office.

Facilities (state) - Twice a year to support the upgrading of playing surfaces, looking at this for a third of the front wall costs.

9. **Facilities - improvements**

The ongoing development of facilities is critical for the future of squash in WA, and as the largest 'users' of the centre, the club is committed to the continual development of our centre for the benefit of members, all squash players, and the wider community. The current focus of the club is to work towards a permanent solution for the front walls in conjunction with other key stakeholders. This and other items are listed below.

Option 1 - Front Walls - aim to upgrade to glass

- CourtTech Australia currently supply and install glass front walls over old plaster walls, the cost per court is \$23,000
- COURTDesigns HALF SYSTEM Renovation is a permanent solution to reoccurring front wall and side wall problems. COURTDesigns offers renovations for plaster courts and panel courts. *5 year guarantee *Low maintenance, same surface at the professionals *Height adjustable tins. After installation of the 40mm thick COURTDesigns Half System Wall on existing plaster walls, the court dimensions still comply with WSF guidelines
- <http://fitzsquash.com/index.php/courttech1/squash-courts/renovations/>
- 8 courts = \$184,000, DLGSC Funding \$61,000, Balance \$123,000
- 4 courts = \$92,000, DLGSC Funding \$31,000, Balance \$61,000

Option 2 - Front Walls - quote from Lenzo Plasterers

- Initial quote to patch the walls, render, and paint - \$8,800 per court = \$71,000
- Next quote - replace full walls (club remove) - \$16,000 per court = \$128,000
- Next quote - replace full walls (they remove) - \$18,000 per court = \$144,000

Option 3 - Front Walls - quote from Adept Building / Mike Millington

- Initial 'quote' was around \$10,000 per court = \$80,000, using club labour to remove old walls
- Looking at splitting into three sections - 1-2, 3-5, 6-8 - as will need to block off to avoid dust going through the centre
- Mike & Rob to develop a 'spec' for the plaster, court plaster is available from the UK, Mike's plasterer to give a more detailed costing
- Need to have a formal quote provided by the end of November

Meeting held (23rd March) with Bill Thomas (BGPTC) & Kane Fasolo. Bill is on the board's capital expenditure committee and was seeking input into the needs of the squash centre. Following is a summary of the discussion:

- Facilities funding is available via DLGSC twice a year, maximum of 30% of total project
- Tennis club access this funding, so looking at what projects to prioritise in the next couple of years
- Front walls were discussed, reason for needing repair, what done in the past, why glass not replaster, costs involved
- City of Melville unlikely to contribute, have not provided any funding to Tennis club for any improvements to date, only loans
- If the club could raise funds to fix one court, that would be seen as favourable. We will look at options to raise funds.
- Will need funding from club, Tennis, Local and/or Federal Government, and possibly private funding to get this project completed
- Look at starting with most damaged courts, and/or doing the upgrades over a few years

- Steven to contact DLGSC to discuss our project, and provide details to Bill

Steven spoke with DLGSC, Mark Toomath (9492-9870), he advised the following:

- Project to upgrade the front walls to glass was within the funding scope
- Need to ensure Tennis Club is on board (as lease holder), letter to that effect or joint application
- Need to contact City of Melville, get their approval to support the work, discuss their priorities, as likely to have several applications at each local Government
- Maximum funding is 30%, so need to have remaining funds allocated to the project, and clearly documented
- Need to talk to WA Squash to ensure this project is on their priority list as well
- Next funding round is in July/Aug, funds need to be spent by 15th June 2023
- Application should highlight the benefits of the upgrade, to community, players, in terms of reduce maintenance costs etc

Further follow up with clubs in Victoria, and Squash Australia has occurred. Professional opinion has been sought on the best avenue to take for 'fixing' the front walls. Further discussion to be held on this issue.

Louis has made contact with Ben Morton's office to seek support for this project and we are in the process of trying to secure funding via an election commitment, or a future grant round. Further clarity on this will be available following the federal election in May.

21/5/2022 - Following the Liberal loss and Ben Morton losing his seat, our funding for this project has now gone, and we need to start again.

4/8/2022 - Frank has organised a quote from a plasterer as part of our ongoing discussion to fix the walls. Details to be provided in the next week. The issue of the leaking roof is still to be resolved.

6/8/22 - met Ole from Tennis Club, he advised that the council had repaired the roof, and the leak over court 7 should now be resolved. He was checking to see if any further rain had entered, advised that we would monitor this.

12/9/22 - Kane advised that the City of Melville has inspected the roof and have declared that all the leaks have been fixed, and that the downpipes are sufficient for drainage from the roof. Kane will get this in writing so that we have some comeback in the event of any future work being affected by water damage.

12/9/22 - Mike to put together a detailed quote to replace the front wall plaster with a specification plan that will ensure the correct materials are used now and in the future. Club to seek funding via Federal MP, State Grant, and Tennis Club.

14/1/22 - Further quote from Lenzo Plasterers received to replace the whole front walls, rather than patching

17/11/22 - No further action, waiting for quote from Mike Millington (expected by 30th Nov)

19/1/23 - Mike advised that he is waiting for costs of plaster from UK, expects quote to be around \$10,000 per court.

16/2/23 - Steven to follow up with Mike to get a firm quote and timeframes for the work.

Air Conditioning - Kane put this onto the agenda for the capital expenditure committee. Plan is to place two units at either end of the 'clubroom' area to create a flow into the central space. Options and costs are being explored.

Air flow - The club is looking to replace the downstairs door (by the fountain) with a dual

door (\$650) that can open and provide a screen door to allow air flow. Replacement door has arrived and will be installed in the near future.

Fundraising

iSponsor - This is a FREE fundraising app that turns everyday spending into fundraising dollars. iSponsor have over 900+ brands at your fingertips ready to sponsor your group. I've signed Blue Gum Squash Club up as a recipient of sponsor funds. Anyone can use this app and choose who their sponsorship \$\$ go to. You can register a card and use online or in-store (check first) and we will get a percentage of your purchase. iSponsor Facebook page - <https://www.facebook.com/isponsoraus/>

Some brands on the app - BWS, Puma, Bonds, Subway, The North Face, Gazman, Lenovo, Foot Locker, Specsavers, Bed Bath n Table.

It's easy to use, and as an example a purchase of two shirts via Gazman results in \$5 for the club. If you are going to spend the money anyway, it is a useful way of also supporting the club. Further details will be emailed out to members shortly.

Container for Change - This scheme, recycling eligible containers for 10c refund, is one of our best fundraising avenues. We are currently generating around \$25 per week through the bins at the centre, and this funds our junior program entirely. You can support this scheme by putting your containers into the bins provided at the centre (caps removed), or donating your containers to the club when you take them to the refund point (just quote our scheme number - C10309447)

Entertainment Books - we have been doing this for a few years now, but now it is all electronic books. You can purchase your entertainment book memberships via this link - <https://www.entertainment.com.au/orderbooks/83556g> - \$14 from every book sold goes to the club. Books can be purchased any time and are valid for a year from date of activation.

Australian Sports Foundation (ASF) – This organisation allows people to make a Tax deductible donation to sporting clubs. We have two projects listed on the website

- Junior Program equipment - these funds are used to buy equipment for our Junior Program as required
- Refurbishment of Front Walls - these funds are solely for updating our front walls

Tax deductible donations can be made via the ASF website: [ASF WEBSITE](#)

Donations - Any person, or business, can donate directly to the club via cash, or bank transfer. If you would like to make a donation to the club for any of our projects please contact any committee member.

Bunnings BBQ - This has been booked for 25th March, Frank has organised all of the food and drinks, and will send out an email for volunteers to cook sausages shortly. Belinda has sourced sausages at no cost, so we are aiming to make \$2000-\$3000 for this event. Funds raised will support the junior program and general centre improvements.
