2. Centre Improvement / Plans

Outdoor area - the BBQ has been upgraded with the new cabinets now in place. Fake lawn to be installed this weekend. Rob B working on some tables for the area, committee to look at some chairs. This will make the balcony area an attractive usable space.

Melville council have advised that the building will be painted in June/July as part of their ongoing maintenance schedule.

Court front walls - Mike Millington has repaired court 8 and this has held up well. There has been some further damage, and it appears that this will be an ongoing issue. Kane has a quote to repair the remaining courts at \$4000-\$5000, plus painting, the issue is the ongoing maintenance requirements.

Kane advised that new 'tins' for the courts should be arriving next week, and then a process of changing them over will occur.

Possible plans for 2020:

- Install some locked cabinets under the noticeboard for storage of club merchandise and other items
- Provide financial support to repair the front walls
- Work with Kane to finish off the kitchen space - holes in ceiling, space around the window, light switch in the roof

Possible long term goals for the centre (note current fundraising will not fund these projects):

- Upgrade the courts to Court tech walls
- Air conditioning

3. Calendar of Events

Events held:

Kids Open Day - Held Saturday 18th January. 14 children attended, out of 16 'tickets' sold. Net to the club was \$42.36.

Summer Squash - Completed, good turnout throughout the summer weeks with all courts being used on Tuesday evenings.

Events planned:

Quiz Night - Scheduled for Saturday March 28th. At this stage this will be a club event, held at a venue. Tickets \$10 each, tables of 8, should be able to cater for 5-8 tables in our area. Club will provide drinks, and provide prizes & platters for each table.

To be explored further:

Doubles - Brian raised the possibility of Blue Gum hosting a doubles tournament, Kane is looking at having one on the WA Squash calendar, but this needs to be followed up. Dates are difficult to book, and it is difficult to gauge the potential level of interest.

Squashworld Challenge - Last year Kane suggested a Squashworld challenge between two clubs from all four clubs. This was supported by the club. This hasn't progressed and will require further discussion.

4. Membership

We have 84 members as at 19th February

Outstanding Fees - Pennant nominated:

Possible members - playing regularly: Adrian Randell, Brian Pope, Darryl Carpenter, Andrew Bc Shane McCrum, Craig Learmont, Jinseok Kim, Lynne White, Theodore D'Souza, Nick Enzor,

Possible options to increase membership:

Marketing - bumper stickers, 'sponsor' a tin for the club, flyers to Murdoch Uni, recontact the schools targeted last year to promote junior programme, flyer to promote what is happening at club, regular updates to website & facebook page (facebook posts generated interest in summer squash events), contact City of Melville, get them on board with promoting the centre as a drawcard for the council, capture names and contact details of regular casuals and contact them about the benefits of membership etc.

News programmes - start up a King of the Court on Monday evenings, possible 'ladies' only session targeting mums of juniors (Vic Park run one with a creche) - could be squash / fitness based programme - start up a junior competition, maybe Sunday afternoons - promote Saturday afternoon squash, maybe round robin from 2.00pm

5. Pennant Teams

Autumn Pennants - commenced 3rd Feb 2020 for Monday night & Day League, Tuesday commenced 18th Feb. We have 12 teams in total for this season, and four members playing day league.

Question from WA Squash - One question to your club ...could you please get feedback to a slight change in seasons ...eg if we were to gradually change dates throughout the year and end up with the SPRING season starting later so as to have half the season before XMAS and the other half starting early Feb .This would take pressure off clubs getting names in over the holiday period also getting fees in at the start of the year which as we all know can be a pain. Would love some feedback.?

Fees for WA Squash 2020 - Seniors \$70, Juniors \$30

6. Juniors

Junior programme has recommenced for 2020, now runs from 4.00pm to 6.00pm, but split into coaching (4.00-4.40) and gameplay (4.40-6.00). This has allowed more kids to enjoy more time on the court, and also allow Tim to focus on developing younger children's skills. The numbers have been steady with around 30 kids participating.

7. Sponsorship / Shirts

Only a few shirts left for sale. Will explore doing another shirt run and see if the level of interest there. Shirts wouldn't be subsidised, so cost would be around \$35 per shirt

Sponsors - Steven has sent a renewal letter to all sponsors inviting them to renew for 2020. Four sponsors have renewed for 2020, two remaining to be followed up to see if they are still interested. If anyone has ideas for new sponsors, please let the committee know.

8. WA Squash

WA Squash has been working with Squash Australia to resolve issues relating to affiliation fees, getting a better deal for WA. This is still in process and further information will be shared once clubs are informed.

AGM - The WA Squash AGM is scheduled for Wednesday 25th March at 6.30pm at Leisurelife V Park
